

Mixed Doubles Strikes to go into effect for the 2025 League Championship Year

We've heard you in the yearly league survey, and in an effort to help maintain the integrity of the Mixed Doubles league program, starting Dec 4th, 2024 for the 2025 League Championship Year, the USTA League program will implement the NTRP Dynamic Disqualification process for the Mixed 18 & Over and Mixed 40 & Over National Championship Advancing League Divisions. The 2025 League National Regulations have been updated to reflect the NTRP Dynamic Disqualification process in its appropriate rules. The Major Changes of the 2025 National Regulations now include the following:

All National Championship advancing Mixed League divisions will enforce the NTRP Dynamic Disqualification procedures in accordance with the USTA League Regulation 2.04.

The process in which a NTRP Dynamic Disqualification occurs in the Mixed 18 & Over and Mixed 40 & Over National Championship Advancing League Divisions is the same as the current process in the Adult Leagues that advance to the Championships. However, strikes earned in mixed doubles, will not be combined with strikes earned in adult leagues, it will be a separate.

NTRP Dynamic Disqualifications in the specified Mixed Divisions will support fairer playing levels. This will keep the integrity of the USTA League Program intact so everyone will be playing at a similar playing level!

Thank you and good luck for the upcoming season.
